**OUR FOUNDER** "Growing up myself in an underprivileged community, it's a great feeling to finally be able to give back". RICKY DAVIS Ricky Davis is a 13-year veteran of the famed and skilled world of the NBA and currently plays in the BIG3 League, a league founded by the multi-talented, hip-hop mogul, Ice Cube. Ricky's span with several NBA teams allowed him over the years to give back to many communities across the world, participate in charitable events, and provide contributions to people, foundations, and organizations. The passion and dedication he has on the court, has now shifted to what his heart always hoped for after the NBA life. The opportunity to build lasting relationships and strengthen families. As a player it was always important to give back to kids and families in underserved communities. E IE PAGE / 3
